- School tea towels
- Climbing wall for Junior Yard

3. Thank You

We cannot raise money for the school without the hard work of all the committee members, school staff, event helpers, raffle prize donors, contributions from parents and carers and all the people involved with our events. A big thank you to everyone for their support. Although this school year will be quieter with regards to the usual events, we hope to raise funds in other ways.

4. Summary

This last year has been a strange one, only having September to March with the whole school in. We were disappointed not to hold our usual big events, such as the Easter Bingo and Summer Fair, but we have been able to continue raising funds through the Dragon Bags clothes recycling scheme and the Easy fundraising online donations. The events we did run were really successful and it was good to try two new events; the Fashion Show and Family Quiz. We were pleased to be able to pay for the leaving party for the Year 6 pupils. Going forward, we will continue our hard work and keep up a mix of fundraising, fun and involvement.

5. Voting on new committee members

I am stepping down as chair, having been on the committee for seven years and in the role of chair for nearly three years. Emma is remaining in her role as Treasurer, but taking a step back from the organisation of events. Jody will remain in post as Secretary, if a replacement cannot be found. She too will be taking a step back from organisation this year. Two committee members have stepped back from the committee and meetings, but will help at any events. The other committee members remain the same.
